Anthony Quiñones (keen-yo-nezz) is a powerful and dynamic communicator who easily connects with different types of audiences. His combination of knowledge, experience and conviction produces powerful messages that call and move his audiences to action. His engaging and interactive style will draw out the gifts, talents and brilliance that are already inside of you. He is also an accomplished leader who excels at building strong relationships and fostering effective communication among diverse teams and management. Whether you're an individual or an organization, Anthony will help you to grow personally and/or professionally.

He holds a Bachelor of Science degree in Accounting and has experience in accounting and finance in the insurance, media, nonprofit, startup and political spaces. He pivoted into writing and wrote two books – *The Brandpreneur Beginners Guide*, to help new entrepreneurs and *Repackaging Is Everything*, to help people to repackage their content. Since then, he expanded his message because he saw that many people need to repackage, not just their content, but their entire lives, as well. Most recently, he created the **Create Your New Normal Podcast**, where he interviews people who have successfully reinvented themselves.

SPEAKING TOPICS:

- Reinventing Yourself
- Career Development
- Midlife Transition

TESTIMONIALS:

"Your workshop on "Repackaging Yourself with Social Media" was just what the doctor ordered during these economic times. The feedback from those that participated in the workshop has all been favorable and many have asked for additional information about you and future speaking engagements. So again, thank you so much for your time and powerful presentation. We hope you will be part of our future events."
